## **DURANT HIGH SCHOOL**

### **ATHLETICS BOOSTER CLUB**

The Durant High School Athletic Booster Club (DHSABC) needs your support and involvement during the school year. A student's high school years are exciting and full of challenges. Our organization's purpose is to assist the athletic teams both financially and morally and to support Durant's athletic programs so all student athletes enjoy a well-deserved experience. We hope that you will join us in supporting our athletes and coaches by joining the Athletic Booster Club. As school budgets continue to get cut your support becomes critically important to our student athletes.
